Volunteer Handbook 2013

Full Name of Volunteer: __________________________  Contact Number: __________________________

Thank you for joining the Chinese Christian Herald Crusades (CCHC) Volunteer Fellowship. We hope that you have wonderful experience here. The handbook will give you the information you need for a successful journey with us. Please read this handbook carefully. We look forward to working with you and to serving the community together.
Introduction

~ Herald Volunteering Fellowship is a loving platform that connects all the volunteers to serve the needs of our community. There is hidden potential in all of us. Everyone can be someone else’s blessing. ~

CCHC is a nonprofit organization with limited resources. We are committed to serve the general public through the tremendous efforts of our volunteers. The Volunteer Fellowship service includes: services for new immigrants and special needs groups, family ministry, art and cultural activities, administrative duties, etc. Our services cover internal departments as well as external organizations, such as nursing homes, adult care centers, hospice care centers, special needs education, other cultural and art organizations, as well as governmental units, etc. CCHC also provides trainings to our volunteers to help them reach their full potential. Let us work together to share our love with those people in need. From strength to strength, one blessing after another.
**CCHC Mission**

To lead the lost sheep back to God through community service and evangelical efforts. To be a Christian testimony to the Chinese communities in different cities by living our Christian values of faith, love and care for others.

**CCHC Philosophy**

- Understand the need of the community: Our ministry is designed to respond to the needs of the people.
- Spread Gospel to all people: Our community is the altar upon which we offer the sacrifice of ourselves to God.
- Unite the churches to fulfill Jesus’ command: We are to be an invisible link that binds the churches together.
- Work with Faith: we firmly believe that there is unlimited potential when we work with faith. By relying on God, we can build a ministry that is not limited by geographic boundaries.

**Volunteer Fellowship Mission**

CCHC’s “Volunteer Fellowship” is a platform that brings together all volunteers, Christians and non-Christians, to focus on the needs of our community. CCHC hopes to form a “Love Network” in the community through this Volunteer Fellowship.

We want to partner with local churches to mobilize Christians and to give them more opportunities to serve our community. We also want to reach out to different organizations and special needs groups in our community, so we can better serve their needs.

**The three objectives of Volunteer Fellowship:**

- **Objective 1:** To provide assistance to those in need: We want to fulfill the biblical requirement of “love your neighbor” with our genuine care and dedicated service.
- **Objective 2:** To help our volunteer’s with their personal growth: CCHC provides training and various workshops so our volunteers reach their fullest potential. At the same time, we also have an opportunity to bring to those non-believers into the presence of God.
- **Objective 3:** To spread the gospel and be a testimony to our community: Due to the hard work of our Volunteer Fellowship, others come to appreciate the value of being a Christian. We believe part of being a Christian is to share our love for Christ with others. By reaching out to the community, we hope to create new friendships whereby people will feel welcomed into the church and can begin cultivating a relationship with God.
The meaning of “協工” (XIE GONG)

The meaning of “協工” (XIE GONG) is probably the same as the meaning of volunteers. Rather than using “義工” (YI GONG), we think the word “協工” (XIE GONG) can better illustrate the meaning of our work.

1. The “cross” shape is our salvation.
2. Next to the cross is the three “力” (LI) which means “power” in Chinese. That shows the three important aspects of our work: the power of hard work; the power of offering, and the power of faithful praying.

- **Hard Work:** We are all gifted in different ways and can contribute to help others accordingly. We can be a giver, and at the same time, a receiver.
- **Monetary Offerings:** Other than work, you can also make monetary donations to support our ministry so we can reach more people in need.
- **Faithful Praying:** This is something that all of us can do as Christian volunteers in the fellowships. Please pray for our ministry around the world.

Whether you are Christian or not, as one of our volunteers, you are helping others and serving the community in the spirit of love and selflessness. At the same time, you can learn about the Salvation of God, and may eventually become Christian and be a testimony of love to our community.

**What Do You Need to Do to Become a Volunteer**

As long as you agree with the philosophy of “協工” (XIE GONG) and are ready to commit, you can apply to be a volunteer: Volunteers can serve in areas that they are most interested in. Volunteers can contribute their hard work, help with fund raising, or pray for us.

If you are willing to work with us and make a minimum service commitment of 3-6 months (including service and training), we welcome you to apply to join our Volunteer Fellowship.

The Principal of Volunteering

Corinthians 13:4-8

Love is patient, love is kind.
It does not envy, it does not boast,
it is not proud.
It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth.
It always protects, always trusts, always hopes, always perseveres.
Love never fails.
